This website uses Google Analytics Demographics and Interest reporting. Visitors can opt-out by using the [Ads Settings](#).

Visitors can also opt out using the [Google Analytics opt-out browser add-on](#).

Further information about Google products and cookies:

- [Google Privacy Policy](#)
- [Google Analytics](#)

Cookie Name	Description
<b>__utma, __ga, __gat</b>	Google Analytics - stores each user's amount of visits, and the time of the first visit, the previous visit, and the current visit (presumably partly for double checking of this information).
<b>__utmb</b>	Google Analytics - are used to check approximately how long you stay on a site: when a visit starts, and approximately ends (expires quickly).
<b>__utmc</b>	Google Analytics - are used to check approximately how long you stay on a site: when a visit starts, and approximately ends (expires quickly).
<b>__utmz</b>	Google Analytics - stores where a visitor came from (search engine, search keyword, link)
<b>cb-enabled-june2016</b>	This cookie records that you have seen and dismissed our notification that we use cookies
<b>__ba_cookies_enabled, __ba_allow_secure, __ba_launch_audio_alert</b>	<i>BrowseAloud</i> add accessibility tools and translations to our website. This cookie remembers what tools/translation setting the user want to use.
<b>style</b>	Style sheet management

<b>resolution</b>	Records the screen resolution and a value that relates to the pixel density of the screen. Used across the whole site for adaptive images – delivering images of an appropriate size for the screen. (Session only, deleted on browser exit.)
<b>gold</b>	Session ID for staff who add events to the website (deleted on log-out or browser session end).
<b>PHPSESSID</b>	Used when staff upload an ID card photo or set up with our IT&IS department (deleted on browser session end).

### ***Akero***

Parts of this website use Akero cookies.

Akero uses unique cookies to identify web browsers and to store data for advertising purposes, including interest-based advertising. Akero is designed to use only non-Personal Identifiable Information (PII), and Akero has contractual provisions that prohibit clients of the Platform from associating Platform cookies with PII. Akero uses cookies to associate non-PII with browsers and devices, so that clients can then use the information to target ads for delivery across advertising platforms.

Further information can be found on the [Akero website](#).

### ***DoubleClick***

Parts of this website use DoubleClick cookies.

DoubleClick uses cookies to improve advertising. Some common applications are to target advertising based on what's relevant to a user, to improve reporting on campaign performance and to avoid showing ads the user has already seen.
