Thank you for choosing to join the MA in Creative and Cultural Entrepreneurship. We look forward to meeting you all in the induction week. There are 7 different pathways, so there will be lots of different information being sent to you or given to you by other departments.

in the meantime...

We would suggest you read the following before arriving at Goldsmiths:

McRobbie, A (2016) *Be Creative; Making a living in the new cultural industries*, Wiley

http://www.angelamcrobbie.net/re-thinking-creative-economy-as-radical-social-enterprise/

Don’t worry, we’ll give you a massive reading list in the first week.

*See you soon!*
