On behalf of Goldsmiths and the Accommodation Services team, a warm welcome to your new home!

We’re delighted to have you with us and our team, colleagues at Goldsmiths and our accommodation-provider partners have been working hard to get everything ready for your arrival.

We are passionate about supporting our residents and helping them make the most of their student experience. Everything we do is student-focused and we understand how important it is for our students to feel at home and part of their new community.

We appreciate that for those leaving home for the first time some things may be new or difficult, and we want you to feel welcome and comfortable in your new home, and support you through the next months while you look after yourself, make new friends, embrace your new life and make the most of your studies. For those returning to halls, we are really pleased to welcome you back and we would like to thank you for choosing our halls again. Whether you are a new or returning student, an undergraduate or postgraduate student, we are dedicated to helping you during your journey.

To ensure you are supported during your journey we have 24-hour security on campus, overnight Campus Support Officers (CSOs) and a student-led Residence Life programme. Do take a minute to save the Campus Support number in your phone and follow the Residence Life team on Instagram to ensure you do not miss out on their events and campaigns.

The 2021-22 academic year will continue to bring a number of challenges and uncertainties, and we appreciate some of you may be a little anxious about sharing and living with others, but also excited about the opportunities that this brings. To ensure the accommodation remains Covid-secure, we’re doing all we can to reduce the spread of the virus and over the course of the year we will adapt our provision to match the latest government guidance. You can find out more about what we’re doing in our online induction, on the Goldsmiths website and it’s important you regularly check your email for updates from us, or your accommodation provider, regarding changes to government guidance in your accommodation.
Where halls have shared communal areas we aim to maintain these areas open to the students for as long as is reasonably safe. We understand some of you may not be able to wear a mask, but to protect our more vulnerable fellow residents and to ease the anxieties of those living with you, we strongly encourage wearing a mask in all indoor shared areas outside your flat and we would really appreciate if you could all support us in making halls a safe place for all.

In this guide you will find information on how to register with a GP and over the course of the academic year we will be working alongside colleagues at the College to encourage residents to take regular Covid tests and get vaccinated as soon as they are eligible.

The team at your hall will help with anything you need on a day-to-day basis, but, if you have any questions, you are welcome to speak to a member of our Accommodation team by phoning or emailing us. We can also offer dedicated appointments on Teams.

Our CSOs are available on campus out of hours in the evenings and on the weekends. In the meantime, you’ll find lots of information about your halls online at: gold.ac.uk/students/accommodation.

For extra peace of mind, it’s helpful for you to know that your accommodation is covered by the Universities UK Code of Practice for Student Accommodation. The code sets out your rights to a safe, good quality place to live by outlining everything you should expect from your accommodation, as well as your responsibilities as a tenant. You can find out more about the Code by visiting: thesac.org.uk.

We look forward to meeting you in and hope you have an enjoyable time at Goldsmiths!

With best wishes,

Flora Cipullo

Completing your room inventory
Completing your room inventory will help us identify any faults and means you won’t be held liable for damage that occurred before you moved in. You will have ten days to complete your inventory before it automatically gets accepted. Make a note of any wear and tear and you may also want to take photos for your own record.

If you have any questions about your room feel free to contact the Loring Management Centre. Please bear in mind that the purpose of the inventory is to keep a record of the condition of the room when you moved in. All rooms have been checked prior to your arrival, but if you think there is anything that may need Maintenance’s attention, please ensure this is logged with the relevant team (see page II).

Loring Hall has a paid-for laundry for students, managed by Circuit.

To use its services, simply visit circuit.co.uk and download the smartphone app. You’ll find full instructions and prices in the laundry.

If you are in quarantine or self-isolation, you won’t be able to use the laundry. Please follow our self-isolation guidance for more information: gold.ac.uk/staff-students/info/coronavirus/self-isolating/guidance

Insurance
Basic contents insurance cover is provided by Endsleigh Insurance during your time in halls. You can view a list of everything the policy covers and find out more by visiting endsleigh.co.uk/reviewcover and using the code HH1236.

You can also extend your personal cover after you arrive to protect any other additional items you may have.
While Loring Hall has fire alarms, equipment and procedures to deal with fires, it’s really important that you follow our guidelines to ensure the safety of yourself and everyone else in the building.

**Fire safety rules:**

- Ensure you are familiar with fire safety instructions detailed on notices in your halls
- Keep fire doors closed at all times as they can help to contain a fire and prevent the spread of smoke
- Always evacuate your halls when the fire alarm sounds. The only exception is during the weekly system test in which the alarm will sound for no more than 30 seconds
- Never interfere with fire safety equipment such as smoke detectors and fire extinguishers – it is a criminal offence to do so
- Do not block corridors and stairwells with rubbish or personal possessions
- Smoking, including e-cigarettes and shisha pipes, is strictly prohibited in your halls, as are chip pans, deep fat fryers, candles and incense sticks.
- All halls are designated non-smoking buildings by English law

We take fire safety extremely seriously, and if you fail to comply with these rules you may face a penalty and/or disciplinary procedures.

You can view all of the student accommodation regulations online at [gold.ac.uk/accommodation/offer](http://gold.ac.uk/accommodation/offer).

Fire alarm tests will be carried out regularly - posters in your building will tell you when they’re due to take place.

During testing the fire alarm will sound for no more than 30 seconds. If the alarm sounds for more than 30 seconds at any time you must evacuate the building.

**In the event of an emergency dial 999 - the UK emergency number for police, ambulance and fire services**
We take your safety seriously in student accommodation. Security officers are regularly on patrol and also on duty at the Loring Management Centre overnight and during weekends, bank holidays and college closures.

If you need support, our security officers and university staff can answer most urgent enquiries and provide you with an immediate and effective response.

You can report anti-social behaviour to our security officers by phone, in person or on the emergency contact number listed at the beginning of this guide.

Reporting issues will help us to log and deal with them, and identify any recurring situations.

**To ensure your own and your fellow students’ safety we advise the following:**

- Do not allow strangers into the building
- Check your emails regularly for updates to the guest policy in relation to social distancing measures. If guests are allowed, they may only be admitted by the resident they are visiting and need to be signed in at reception
- Never lend your keys or access cards to another person
- If you lose or misplace your room keys notify your halls office immediately
- Do not prop doors open
- If you see someone in the building who you think should not be there, or if someone is trying to force entry to a halls building, contact the helpdesk or emergency services immediately (note that staff and contractors wear ID at all times)

**In the event of an emergency please dial 999 - the UK emergency number for police, ambulance and fire services.**
Playing your part

It’s important that we work together to stop the spread of the virus. As a student at Goldsmiths living in student accommodation, you should:

- Wash your hands for at least 20 seconds regularly
- Wear a face covering in the communal areas of the accommodation, such as the reception, communal corridors and staircases and the lifts
- Clean and disinfect the kitchen area after every use
- Self-isolate if you feel unwell and order a home test kit from the NHS website: nhs.uk/conditions/coronavirus-covid-19/testing-and-tracing/get-a-test-to-check-if-you-have-coronavirus
- Let us know if you receive a positive test result
- Keep a 2m distance from those who you do not live with in your flat

Over the course of the academic year we will follow government advice and adapt our guidance to protect fellow students and staff. Please ensure you regularly check our dedicated page: gold.ac.uk/staff-students/info/coronavirus/accommodation and the general guidance for students at gold.ac.uk/staff-students/info/coronavirus/campus

It is important to remember that, as student in halls, you are still bound by the terms of your agreement. Additionally, if there is an outbreak in your accommodation, we may introduce additional measures to ensure the accommodation remains Covid-secure for students and staff.

Remember: putting the lives of others at risk by circumventing government guidance could result in termination of your Accommodation Agreement. Help us to keep accommodation as safe as possible.

We are working closely with the Lewisham Borough Council’s local health protection team, as well as with our local GP surgery in order to adapt to any local changes over the next few months. We’ll update you by email with all the important changes if, and when, they happen.
If you need to quarantine or self-isolate

If you develop symptoms of Covid-19 during your stay, please use the NHS 111 online coronavirus page for advice. It is important you also inform the team at your hall and Campus Support campus-support@gold.ac.uk so they can provide additional advice for you and your flatmates.

Depending on the government guidance at the time, you may need to self-isolate in your bedroom or studio. During this time, you should avoid using the shared kitchen whilst others are present and thoroughly wipe down all touch points in the kitchen.

Students can self-isolate in flats with others who are not self-isolating as long as they avoid contact with each other during the isolation period. We recommend you wear a mask and set up a rota or Whatsapp group to help you coordinate the use of shared areas.

You can easily do an online shop and have your food items delivered to the reception area of your hall, which can then be brought outside your flat door.
University halls might be your first experience of living away from home. Your wellbeing and quality of life in halls are very important parts of the overall Goldsmiths experience. We have put extra measures in place to make your safety and health a priority this year.

Here are a few tips:

- Please look out for updates around our guest policy and large gatherings as we will adhere to the latest government guidance

- Think about whether or not your noise levels might be affecting your flatmates. Not sure? Just ask - they'll appreciate you showing consideration. Be mindful of your hall's quiet hours

- Make an effort to leave communal spaces, especially kitchens, clean and tidy

- Don’t smoke anywhere within the halls buildings or close to windows

- Consider how you interact with your flatmates. You might not realise it, but others might find certain behaviours disrespectful, threatening or aggressive, even if unintended

- If someone has done something to bother or upset you, it’s often the case that they might not even realise it. That’s why it’s best to have a friendly discussion with them about the issue first and try to have that conversation face to face, if you can as messaging can easily lead to misunderstandings. If the problem remains unresolved, you can always speak to a member of the Campus Support or Accommodation Services team (page 2).

- Keep your room key and ID on you and lock your bedroom door

- Report issues with your room or flat to Estates/maintenance team (scan the QR code)

- Get some fresh air in your room, especially after using the shower

- Check the block’s noticeboard for when the weekly fire alarm tests will take place

- Keep the corridors clear of belongings
Inclement weather

In the case of bad weather involving snow and ice, we will keep roads and pathways safe by organising for areas to be gritted regularly.

In periods of inclement weather you should exercise caution when leaving your flat, as it is not possible to guarantee that all areas will remain clear at all times. We advise that you stick to the cleared pathways. Check the ‘Maintenance’ section on how to get in touch if you need to report an issue. We aim to resolve any emergency issues reported within 4 hours of initial contact.
CLEANING AND RECYCLING

You and your flatmates are responsible for cleaning the common areas and bedrooms inside the flats. Kitchens and other communal areas of your halls are maintenance-cleaned by the Goldsmiths Cleaning team (except on national holidays, college closure days, or if someone is isolating in your flat).

Please ensure you keep your halls tidy so the Cleaning team can easily clean the communal areas. And remember, you need to wash your own dishes and keep your kitchen and surfaces clean and clutter-free. More information can be found in your Accommodation Agreement at gold.ac.uk/accommodation/offer.

Vacuum cleaners are available in each accommodation but should be returned after use.

If your bedroom or a communal area in your flat is found to be untidy or unclean, you and your flatmates will be expected to rectify this.

**Looking after your room**

It’s important you look after your room and en suite on a regular basis. Please ensure you keep the accommodation adequately ventilated and heated so as to prevent damage from condensation, particularly in rooms with en suite facilities.

Check that the extractor fan is always working and wipe down surfaces after you have had a shower.

**Room Inspections**

To ensure the quality of your room remains up to the standards set in your Accommodation Agreement, termly flat inspections may be carried out. You will be notified ahead of time when these are to take place.

**Rubbish and recycling**

Bins for rubbish and recycling are provided in the kitchens of your flat, and there are communal waste bins outside for you to deposit bagged rubbish when your kitchen bins are full.

**Greening Goldsmiths**

The climate crisis is one of the biggest threats our society faces. Goldsmiths has a responsibility to reduce its own impact on the environment and is taking action to address this. Find out more:

Reporting a maintenance issue or fault

If something is broken or damaged in your halls building, in the communal areas of your flat, or in your bedroom or bathroom, you should report as soon as possible it by completing a maintenance report on the Estates Helpdesk System:

- Go to goldcp.micad.systems
- Log in to the site with your Goldsmiths username and password
- Click on ‘Log a new job’ and enter the location of the problem, your contact information and a description of the fault

The Estates & Facilities Helpdesk is open Monday to Friday, 8am to 4pm, excluding bank holidays and College closure. For emergency issues overnight and at weekends/bank holidays, please call Goldsmiths Security on 020 7919 7105.

We’ll always aim to investigate all faults as quickly as possible and provide you with updates. The following guidance is based on the performance standards set out in the Repairs and Maintenance section in the National Code nationalcode.org. To ensure a consistent service is offered across all our halls of residence we aim to respond to maintenance requests according to the following schedule:

*If your flat is in isolation, this may have an impact on how the team may be able to deal with non-emergency repairs.*
Accommodation Services is committed to providing an efficient, effective and courteous service to all our students and customers. We endeavour to provide this at all times but recognise that occasionally things may go wrong.

We have procedures in place to provide those who are not satisfied with the quality of our service with an easy and effective means of rectifying any problems you may have.

The complaints procedure is not intended to deal with maintenance requests. If you wish to report a problem in your room or flat, please ensure this is logged via the Estates Helpdesk System by going to goldcp.micad.systems. This will ensure your problem can be dealt with as quickly as possible. If we have already completed a repair and you are still dissatisfied with the way this has been dealt with, we would welcome your feedback as this will help us improve our service.

If you are concerned about the behaviour of another resident and you would like the issue to be looked into immediately (such as excessive noise or smoking) please contact a member of staff in the first instance, by phone or in person at the reception desk.

The sooner you report anti-social behaviour; the sooner it can be dealt with. If it is an ongoing issue and you would like Accommodation Services to provide further support you can also email us at accommodation@gold.ac.uk and we will get back to you in three working days.

If after raising concerns with the hall staff you want to make a formal complaint you can find information about the process at:

explore.gold/complaints-procedure
Registering with a local doctor
We recommend that you register with a local doctor in the New Cross area or close to your halls.

Aim to do this as soon as you can to avoid any delays in being able to receive medical treatment should you need it.

Report and Support
We believe that sexual violence, sexual harassment, domestic violence, stalking and sexual misconduct are never okay. You can report something either anonymously or with contact details so you will get a response. Reports can be about an individual, a group of people or cultures.

Goldsmiths is well-connected to the public transport network and is located close to both New Cross and New Cross Gate railway stations. The city is split into nine fare zones (1-9) - most of central London is in zone 1, and both Goldsmiths is in zone 2.

To help plan your way around London you can use the official TfL journey planner on [tfl.gov.uk](http://tfl.gov.uk) or the CityMapper app on your mobile or online at [citymapper.com](http://citymapper.com). Google Maps can help you plan from outside of London.

**Oyster cards**

Using an Oyster card makes it really easy to travel around London. It’s a smartcard that can hold pay-as-you-go/pre-pay credit and season tickets, as well as any student railcard you choose to purchase.

Make sure you register your Oyster card using the website printed on the reverse of your card. It will mean you can easily replace any lost cards and season tickets at a minimal cost.

[tf.gov.uk/oyster](http://tf.gov.uk/oyster)

**Contactless payment cards**

If your bank account issues you with a contactless credit or debit card it can also be used to pay for travel in London if you register it with TfL. This is often the cheapest payment method if you don’t want to purchase a season ticket.

[contactless.tfl.gov.uk](http://contactless.tfl.gov.uk)

Buses in London do not accept cash for travel - use either an Oyster or a contactless payment card.

**Travel discounts**

As a full-time student you can apply for discounted travel with a student Oyster card or a 19-25 railcard. See the options and choose what’s best for you: [explore.gold/TravelDiscounts](http://explore.gold/TravelDiscounts)
The Students’ Union is led by four Full-Time Officers, also known as Sabbatical Officers or Sabbs for short. They’re elected students that steer the direction of the Union, shaping and influencing the Union’s activities, campaigns and the services we provide for students.

Make sure you pop into the Goldsmiths Students’ Union building and make the most of their spaces to study and catch up with friends. They have a Bar, Cafe, Shop and Venue - and every penny of profit is invested back into the Union’s services and activities. The also host a packed events programme throughout the year so check your email inbox each week for the SU e-newsletter and keep an eye on their website: goldsmithssu.org/whatson
