If there is any damage or any other recoverable sums owed to us, we will pass those charges to you separately as permitted by law.
13. Failure to pay your Accommodation fees on time is a breach of the Contract and may result in the termination of the Contract, or may mean we have to seek possession of the Accommodation and legal proceedings may be started against you in order to recover any outstanding monies owed to us. You must vacate the room by 10am on the Licence End Date in this Contract. You will be responsible for returning the key/key card at reception, and for leaving your room and shared areas in the accommodation in a clean and tidy condition, as you found it upon arrival, and for taking all your belongings and rubbish from the room and shared areas.

**10.4** A Student in breach of the Accommodation Contract will usually be issued with a Written Warning by the relevant Manager or a delegated Accommodation Services representative (except in the case of a serious or significant breach in which case notice under paragraph 10.7 may be served).

**10.5** In the event of a further breach of the Accommodation Contract a Student shall be issued with a further Final Written Warning from the Manager.

**10.6** In the event of a further breach of the Accommodation Contract after having received two (2) Written Warnings (whether issued together, for example in the event that there are repeated actions on the same day triggering this part of the Regulations) from the Manager a report shall be submitted to the Head of Department. The Head of Department shall be entitled to terminate the Accommodation Contract by giving not less than twenty-eight (28) calendar days' written notice.

**10.7** Where in the opinion of the Head of Department a Student has committed a serious or significant breach or is posing a significant risk to self or others, the College may terminate the Accommodation Contract by giving not less than seven (7) calendar days' written notice to the Student.

**10.8** Notice will deem to have been given by the College if a notice is left inside the Student's Accommodation. If the student will continue to study at the College, after their agreement has been terminated, Accommodation Services will endeavour to provide advice on sourcing alternative accommodation and all efforts will be made to ensure the student's circumstances are assessed in a fair and considerate manner.

**10.9** In the event that the Accommodation Contract is terminated in accordance with this section 10, the Head of Department shall submit immediately a report to a Senior Manager and shall send copies of the report to the student's academic Head(s) of Department.

**10.10** A Student whose Accommodation Contract has been terminated may appeal to a Senior Manager in writing to challenge the decision. The appeal must be made in writing within seven (7) calendar days upon receiving notice to terminate the Accommodation Contract.

**10.11** If the Student is still dissatisfied with the decision reviewed under paragraph 10.10, they may refer the matter to the College's Complaints and Appeals team ([complaints@gold.ac.uk](mailto:complaints@gold.ac.uk)) for a final appeal stage heard by a panel comprising:

- A chair appointed by the Warden
- A Manager, other than that from which the Student has been dismissed
- A member of the student body, or the Students' Union

Any person in any way directly associated with the Student involved or in the circumstances leading to the hearing shall be prohibited from serving on the appeal panel.

**10.12** A Student shall be given notice of not less than fourteen (14) calendar days of a meeting of the appeals panel. Such notice will be sent by recorded delivery to their last known address or by email. The College can take no responsibility if a student has failed to notify it of a change of postal address or email address.

**10.13** If a Student fails to attend a meeting of the appeals panel for other than good reason acceptable to that panel, notified in advance, its proceedings shall not be invalidated. A Student unable to attend a meeting of the panel for good reason may seek a postponement of the meeting.

**10.14** If a Student wishes to place documentary evidence before the panel, such evidence must be received by the Complaints and Appeals team no less than seven (7) calendar days before any appeal panel is due to take place.

**10.15** The College shall be represented by the Head of Department responsible for residential accommodation.

**10.16** The Student may give evidence on their own behalf. However, the Student may exercise their right to remain silent. The Student may also be accompanied by a friend (who may be a representative of the Students' Union). At the request of the Student, if the chair and other members so agree, the friend may speak on the Student's behalf.

**10.17** Both the Student and the College representative will be sent copies of all documentary evidence to be presented to the panel not later than two (2) days before the meeting of that panel.

**10.18** The appeals panel shall not be entitled to admit new evidence unless it shall have satisfied itself that this had become available since the termination of the Accommodation Contract.

**10.19** The panel's findings shall be notified to the Student in writing as soon as possible by recorded delivery to their postal and email address.

**10.20** Academic departments shall be kept informed, at all stages of the above procedure, of any matters concerning their Students and shall be invited to submit a report to the meeting of the appeals panel.

**10.21** A Student whose Accommodation Contract has been terminated by the College in line with this paragraph 10 will have any fees returned to them less the number of nights in possession of the room and they shall vacate their Accommodation on the date specified in the notice from the College, with the Student:

- (i) leaving it in the condition required by the Accommodation Contract
- (ii) removing all possessions from the Accommodation, and:
- (iii) returning their keys/entry cards or fobs to the appropriate hall office;

and if any possessions are left behind these may only be collected by appointment with Accommodation Services.

**10.22** A Student dismissed from College accommodation shall not be permitted to return to or visit College accommodation without written permission from Accommodation Services.

**10.23** Following the decision of the appeals panel, the **appropriate office of the central administration** shall issue a completion of procedures letter enabling the student to pursue a complaint with the Office of the Independent Adjudicator for Higher Education.

## **Data Protection**

### **11. Data Protection**

**11.1** In line with data protection laws, the College must protect a Student's data in a safe and secure way. In order to manage the tenancy between Accommodation Services and the College partner accommodation, there may be details which must be passed to them. The College will inform a student in their accommodation offer who the landlord is and what data they will receive in order to manage the tenancy effectively.

**11.2** Sensitive data, such as any medical conditions or disability information, will only be shared with our Disability Service or our partner accommodation in accordance with the

provisions of the Accommodation Contract and any contracts in force between the College and such partners. The sharing of this information is in order to support a Student's Accommodation application and term and will not be used for any other purpose. Should you want access to your data being shared please contact [accommodation@gold.ac.uk](mailto:accommodation@gold.ac.uk).

**11.3** Basic content insurance via Howden UK Brokers Limited is provided at no extra cost to all Students in in College-managed Accommodation. For more information on the policy, please visit our [website](#). We recommend you also download the Howden for Students app or visit their website (<https://students.howdengroup.com/>).

## Terms and Conditions for Goldsmiths-managed Halls

### Overview

Goldsmiths, University of London is a member of the **UUK/GuildHE Code of Practice for the Management of Student Housing**. This means that the accommodation and related services provided under this agreement comply with the standards set out in the Code. More information about the Code is available at [www.thesac.org.uk](http://www.thesac.org.uk).

Each of our Halls of Residence has access to a team of administrative, management and security staff. Administrative and management staff are on site or in a nearby building and help to deal with the day to day running of the accommodation and the security staff are available out of hours.

Goldsmiths Accommodation Services, including the out-of-hours Campus Support Officers, are based at the Loring Management Centre, St James, New Cross, London, SE14 6AD and can be contacted 24 hours a day on 020 7919 7192.

There are security officers patrolling every hall each night and Loring Management Centre has 24-hour cover including weekends, Bank Holidays and periods of College closure. They are located near the entrance of certain halls and regularly patrol the halls and grounds. They will answer any urgent queries, or help with emergencies by calling emergency services or out-of-hours trades people.

### Induction and Welcome Guide

All students will be asked to complete a short online Induction and read our Welcome Guide prior to moving into their accommodation. The induction and guide include important information about health and safety, facilities, support services, and community expectations.

It will be sent to you by email and/or made available prior to your scheduled arrival. If you have not received these, please contact Accommodation Services.

## Cleaning

Cleaning in bedrooms, bathrooms, communal areas and kitchens is the responsibility of the people living within the flat or corridor ("**Residents**"). Residents within the flat or corridor share the responsibility for keeping their accommodation, including all kitchen utensils, equipment and appliances and communal areas, in a tidy state so domestic staff can clean kitchen surface areas and floors effectively.

The cleaning of surface areas and floors in kitchens and other communal areas is carried out weekly by the housekeeping team (except on national holidays or College closure days). Information on the cleaning schedule will be displayed in the accommodation and updated where necessary.

Students are responsible for cleaning their own room and en suite bathrooms throughout the year and for keeping them in a clean and safe condition at all times. All bedrooms are equipped with a mattress protector. We request that Students cover their mattress protectors with a sheet to ensure hygiene standards are maintained.

Study bedroom inspections may be carried out each term. If a room is found to be in unacceptable conditions, the Student will be given twenty-four (24) hours' notice to clean it to a satisfactory standard. If this is not carried out and the lack of cleanliness is believed to pose a health and safety hazard, we may request that the cleaning team clean your room. The fees for any additional cleaning costs are detailed in the hall costs document that you can find at [www.gold.ac.uk/accommodation/offer](http://www.gold.ac.uk/accommodation/offer).

Residents are responsible for taking bagged rubbish and putting it in the communal waste bins. If rubbish has to be removed from the kitchen area of your flat following an inspection, all Residents will be asked to share the cost of this.

Grease, fat or oil **must not** be disposed of down the sink as this will cause clogged pipes. Fridges and freezers need to be cleaned and defrosted regularly by the Residents of the flat/floor. Vacuum cleaners are available and must be returned after use. Windows are cleaned inside and out periodically and advance notice of this will be given wherever possible. Cleaning materials and utensils are to be provided by the Residents.

Students are also expected to clean their rooms and shared areas before they leave at the end of their contract. Residents will be asked to cover the cost of any repairs and additional cleaning that may need to be carried out in their room or communal areas of the flats/corridors at the end of the contract to bring the property back to the original condition in which it was found.

## **Communal areas**

For Health and Safety reasons, all communal areas, particularly corridors and stairways must be kept clear and tidy at all times. Any items that are left in these areas may be removed and may be disposed of without notice. Any notices displayed within communal areas are for the benefit of all Residents and should be left until removed by Goldsmiths.

## **Kitchen facilities**

All of our halls are self-catered and equipped with a kettle, microwave, fridge, freezer and an oven which is adequate for the number of Residents sharing. Deep fat fryers and air fryers are strictly prohibited. Kitchens are for the use of Students only and may not be used by Students' guests. Personal possessions should not be left in the kitchen; this includes clothing, etc. In the event that items are left in the kitchen/common areas, they may be removed by Accommodation Services/Housekeeper. Cutlery and crockery may also be removed, especially if it has been left unwashed for a period of time. One food cupboard is intended for each Resident, Residents should collectively decide on space allocation.

For guidance on using the appliances safely, please refer to your 'welcome to halls of residence' which are displayed in the kitchen areas of your allocated flat/floor.

## **Recycling**

Students are encouraged to recycle whenever possible. Recycling bags are provided in each kitchen. Items that can be placed in these are:

- Paper
- Cardboard
- Plastic Bottles
- Cans and Tins
- Glass (in a separate container)

Students may also place any of the above in the large green recycling bins sited at all halls or in the black and white bins on St. James outside Loring Hall where you can find a separate bin for textiles. There are more recycle bins outside the Sainsbury's supermarket behind New Cross Gate station. Please do not put non-recycling into the recycling waste.

## **Laundry facilities**

All halls have access to laundry facilities which can be generally paid for using a pre-payment card or smartphone app; please see the section in your Welcome Guide for specific details. Under no circumstances should clothes be washed in bathrooms or bedrooms. Washing must never be dried on the radiators, or hung up within your bedroom or bathroom, on outside windows or within the laundry.

Students should respect other Residents making use of laundry facilities at all times. When using the washing machines or dryers, you should collect your items when the cycle is finished to ensure that other Residents are able to use the facilities after you. For hygiene reasons, remember to clean the lint from the dryers after use.

Do not remove other Residents' clothing from the machines without their consent. Residents may find this action intrusive and it could cause unnecessary distress. If you feel that there are Residents abusing the use of the laundry facilities, notify Accommodation Services.

Laundry facilities are operated by Circuit, an external provider of laundry facilities. More information can be found at [www.circuit.co.uk](http://www.circuit.co.uk).

## Response Times

The Estates and Facilities team or their authorised contractors aim to investigate and complete all maintenance jobs as soon as possible. For further information please refer to the [Accommodation Maintenance Issues page](#) or contact the [Estates Help Desk](#).

## Emergency Maintenance Issues

If there is an emergency maintenance issue such as a leak, no electricity, no hot water, or no heating (during winter), please make sure staff are aware by calling the Estates Help

Desk, Accommodation Services, Goldsmiths Security or the Campus Support Officers. We ask that you also log a maintenance report as this will ensure you will receive notification when the job is complete, or we can contact you if we need more information.

The Estates and Facilities team, or their authorised contractors, aim to repair or make safe emergency maintenance issues on the same day.

## **Pest control**

If you have any concerns about pests in your accommodation, please log a maintenance report with the Estates Help Desk. Pest control issues will normally be investigated by the authorised contractor within two (2) working days of a report being made.

## **Right of access**

Goldsmiths (Accommodation Services and the Estates and Facilities team) reserves the right to have its staff and authorised personnel enter any part of the property to carry out their day to day duties and attend to any maintenance issues. Where possible, adequate notice will be given. You have a right to ask anyone requesting to enter your flat/room/studio to identify themselves with appropriate ID. Staff will only enter rooms without giving written notice in the following circumstances:

- In response to a maintenance report request
- In the case of an emergency (particularly if it is felt that the Residents or property are in danger).
- If activities are reported at the address which is causing disturbance or distress to other Residents.
- If there is a breach of the accommodation agreement.
- To secure an unattended room and the occupant is neither in the room or shared kitchen

In all cases, staff will knock on three successive occasions, announce their name, Department/Company and their intent to enter.

## **Electrical provision**

The UK electrical supply is 230v/240v 50Hz AC, and all appliances, including residents' personal electrical equipment in student accommodation, must be rated for this voltage, suitable for use in the UK and compliant with European requirements for electrical equipment, which means that it should be [CE marked](#).

All electrical equipment must also be fitted with a suitable and fused plug and, where necessary, fitted with suppressors.

All electrical items that are over 12 months old must be safety tested prior to use in student accommodation, and you are encouraged to have your personal electrical equipment Portable Appliance Tested (PAT) and receive a certificate or sticker on the item to verify this. We have a responsibility to make sure that all electrical equipment is kept in a safe condition. We also have a responsibility to ensure Residents do not endanger others by using unsafe electrical equipment. If a member of staff becomes aware of an unsafe electrical item, they will label it as unsafe and request the owner to arrange for repairs. The item may be removed for safety reasons and the student will be requested to arrange an independent PAT test. Any items failing to comply with the above may be removed without warning and can be reclaimed at the end of the period of the Accommodation Agreement. Any items not reclaimed 28 days after the end of the owner's period of residence will be disposed of.

Please refer to the [Health and Safety Regulations](#) and [gold.ac.uk/students/health-and-safety](http://gold.ac.uk/students/health-and-safety) for full details, however, televisions, computers, lamps and domestic stereo equipment are permitted.

## Heating

The heating across the Goldsmiths campus is controlled by a Boiler Management System (BMS). This system takes readings of the external and internal temperatures and turns the heating on and off to maintain an average ambient room temperature of around 20-22°C. The system is automatic and operates daily, usually from October to May, between the hours of 6am and 11pm. Heating is not provided on a 24-hour basis.

If you have any concerns with the heating in your Hall, please log a maintenance report with the Estates Help Desk. Overnight and on weekends please call Goldsmiths Security or the Campus Support Officers on 020 7191 7192/7284.

## Gas

If you smell gas in any building, never turn on any electrical appliances or lights. Report the incident immediately to your hall office, the Security Officer or the Campus Support Officer on duty.

## Keys and ID Cards

Keep keys and entry fobs/cards safe at all times. Losses must be reported immediately to Loring Management Centre.

If you have misplaced your key/card you will be required to purchase a replacement key/card and report them as lost or stolen, where applicable. If the loss occurs out of our administrative office hours (9am–5pm Monday to Friday, excluding bank holidays and

closure), please contact the Campus Support Officers based in Loring Management Centre or a Security Officer for access to your room as soon as a member of staff is available to escort you to the room.

Repeated losses or suspected misuse (e.g. falsely reporting a loss to obtain an extra key) may result in disciplinary action being taken. In the interest of safety, if your key has been lost or stolen, or if misuse is suspected, we may need to arrange a lock change. If so, you will be charged only the reasonable and actual cost of the replacement

For security reasons, Student ID Card losses at Loring Hall need to be obtained via Campus Security.

In the event that a replacement card or key is temporarily not available, we will arrange for staff to escort you to your room as soon as a member of staff is available to do so.

## **Fire**

All Students should make themselves familiar with the fire notices and exits around the buildings and follow all local instructions. Each building is equipped with a fire alarm system. Anyone detecting a fire should raise the alarm immediately and call 999. On hearing the fire alarm, you must immediately evacuate the building in an orderly fashion. You should then meet at the assembly points outside your hall. Do not re-enter the building until it has been deemed safe to do so by the fire brigade or a member of College staff. If you know that you have set off the fire alarm, whether by accident or because of a real fire, contact a member of staff once outside.

## **Fire safety**

Fire safety is a major concern in any hall of residence. For the halls of residence to stay open we must comply with numerous legal requirements. We also have some simple rules in place to protect Residents:

- A number of items are prohibited from rooms (for example candles, incense);
- Smoking is not allowed anywhere within the buildings, including balconies (this includes the use of e-cigarettes and shisha pipes);
- Fire equipment must not be tampered with;
- Fire alarm tests are carried out every week;
- Fire evacuations will be carried out at least twice a year;
- Cooking must never be left unsupervised.

Any Student not complying with these requirements will receive a formal written warning as detailed in the Student Accommodation Regulations and may be issued with a penalty by the fire service. Fire equipment must not be tampered with. This includes setting off fire extinguishers for no reason, letting out fire blankets, covering smoke detectors and keeping

fire doors open. If you tamper with any aspect of the fire detection or firefighting equipment not only do you put yourself at risk of fire but also your friends, colleagues and neighbours.

Tampering with fire equipment is a criminal offence, not simply a contravention of the halls rules and regulations. Should we be unable to determine who is responsible we will consider it the responsibility of all Residents in the flat and action will be taken accordingly. We would advise you to note that covering the smoke detector in your room is very easily attributable.

Also, taking the smoke detector apart is easily identifiable as the system reports it to us as a fault. Again this is very easily traced back to the responsible Resident. The fire alarm can be activated by steam. Therefore, in en suite rooms, you must close the bathroom door when showering and activate the fan. Individuals/flats/floors that persistently activate the fire alarm by burning food, not closing shower doors or other such careless action will be charged for the resulting fire brigade call-outs which may be in the region of several hundred pounds.

## **Fire drills**

Fire drills are carried out at least twice a year and advanced notice will be given. All Students must evacuate during fire evacuation practices. A member of the team will come to check your room and we reserve the right to enter should a fire alarm be activated.

## **Fire alarm tests**

Every week, as advertised within the entrance of your hall/block, our maintenance team will test the fire alarms. This will involve them setting off the alarm in your flat/corridor and then checking to see if all of the sounders work properly. There is no need to evacuate during these fire alarm tests. If you hear the alarm sound for more than 30 seconds, you must evacuate the building immediately.

## **Emergencies and calling the emergency services**

In a life-threatening emergency you should call 999, and then let a member of on-site staff know as soon as possible. For example, if there is need to call an ambulance outside of office hours you should inform the Security Officer on duty or the Campus Support Officers. We encourage you of course, to call the emergency services yourself but it makes their arrival much easier if the Security Officers are kept informed and not taken by surprise by the sudden appearance of an ambulance, police car or fire engine. To call emergency services in the UK, you should call 999.

## Gardens and grounds

Barbeques, fires and open flames in general are not permitted in any part of the halls or grounds. No hall furniture or equipment may be taken into the garden or grounds. Students must not congregate in the garden or grounds after 11.00pm for the benefit of other Residents and neighbours.

## Snow and ice

Every effort will be made to clear snow and ice from paths and access routes within the grounds of the halls as soon as circumstances allow. High risk areas (eg steps and slopes) will be prioritised for attention. Persons with mobility difficulties or who anticipate particular problems should make themselves known to Accommodation Services.

Please refer to our snow and ice policy in the [online induction information](#).

## Responsible/liable

When you live in halls not only are you responsible for looking after your room, you are also responsible for ensuring that the communal areas are kept in a reasonable condition. This means that you will be held personally responsible for noise and damage in your own room. Given that the upkeep of your room/flat/corridor is your responsibility it is in your interest to report maintenance concerns as soon as they happen.

It is also important to note that if you live in a flat where there are problems, such as other flatmates are disturbing other people or they are mistreating the flat and causing damage, if you do not tell us

a) We cannot do anything about it and

b) You will have implicitly consented to their behaviour and will still be held responsible.

The sooner you tell us the sooner we can attempt to rectify the situation and the sooner you will have disassociated yourself with whatever is going on. Where appropriate all contact with Accommodation Services will be kept in strictest confidence. Please remember that the Accommodation Agreement is with you as the resident and we are not able to discuss any aspect of your contract with other parties without your consent. If anti-social behaviour is reported quickly, we can take steps to address the problem earlier. Within the Department there are a number of routes you can take to deal with anti-social behaviour from your neighbours depending on the nature of the behaviour. You can:

- Call Security;
- Call a Campus Support Officer;
- Make a complaint to Accommodation Services;

- If you have exhausted the above routes and the behaviour persists then you may want to consider making a formal complaint to Goldsmiths under the [Student Conduct regulations](#);
- You can also apply for a room move (dependent on the availability of rooms).

All Students must familiarise themselves with Goldsmiths' [Good Neighbour Policy](#).

## Security

Students are able to contact Security out of hours by phone or in person.

Security officers patrol the Halls of Residence regularly and they will make patrols of the sites throughout the night and will deal with anything that is brought to their attention.

You can report anti-social behaviour to the Security Officers and this means that not only has the immediate problem hopefully been dealt with but an independent log has been made of it. This log can be very useful if problems are recurring.

A security officer or other member of staff will respond to your complaint promptly and will in most cases provide the most immediate and effective response.

- Don't let strangers into the building, all visitors may only be admitted by the person they have come to see
- Never loan your keys or access cards to another person (this will be considered a deliberate security breach).
- If you lose or misplace your room keys please notify Loring Management Centre immediately or if out of hours by phone/in person/ to the Campus Support Officers or security officers. Never leave doors unlocked because of lost keys, either staff can lock doors for you or you will be provided with replacement keys.
- If you see someone in the building who you believe should not be there, or someone attempting to force entry to a building, please contact a security officer or Loring Management Centre.

## Campus Support Team

Students in halls have access to a team of Campus Support Officers based in the Loring Management Centre. The Campus Support Officers provide out-of-hours pastoral care and support to Students and engage the student community at Goldsmiths.

The Campus Support Team can offer advice, information and guidance on your halls and anything to do with residence life. They run a series of events and activities throughout the academic year for you to get involved in on campus. You can drop in to see them or you contact them on 020 7919 7284 or email [campus-support@gold.ac.uk](mailto:campus-support@gold.ac.uk). The [Campus Support timetable is available online](#) (NB it may be subject to change over the course of the academic year).

The Campus Support Team can speak to other members of the flat on your behalf or, more usually, they can arrange a flat meeting so that everyone has the chance to sort out problems. As with the security officers, by involving the Campus Support Team your problem will be recorded by a third, impartial, party. This can be useful if a situation deteriorates.

If you make a formal complaint about a fellow Resident to the Campus Support Team; then you will have taken the situation forward to a process which will usually end in some kind of formal disciplinary action. In most cases we will expect you to have first attempted to resolve a situation via Security or the Campus Support Team. By the time your complaint comes to Accommodation Services we would expect to be able to track the history of your problem through security logs and the reports filled in by the Campus Support Officers.

[www.gold.ac.uk/students/wellbeing/cso/](http://www.gold.ac.uk/students/wellbeing/cso/)

## **Bullying and harassment**

As a student at Goldsmiths you have a right to live and work without fear of bullying or harassment. This is an element of the Student Code of Conduct by which you are bound while studying at Goldsmiths, University of London. More details of this can be found at:

[www.gold.ac.uk/equality-diversity](http://www.gold.ac.uk/equality-diversity)

## **Report and Support**

We believe that sexual violence, sexual harassment, domestic violence, stalking and sexual misconduct are never ok. All staff, students and visitors to our campus can report something either anonymously or with contact details so you will get a response. Reports can be about an individual, a group of people or cultures.

[reportandsupport.gold.ac.uk](http://reportandsupport.gold.ac.uk)

## **Hate Crime**

The College hosts an official third party hate crime reporting centre which is open to students and the public. The centre is one of a number within the London Borough of Lewisham. If you experience or witness a hate crime, you may report this via the Student Centre, the Students' Union or via the website.

[www.gold.ac.uk/hate-crime-reporting](http://www.gold.ac.uk/hate-crime-reporting)

## Room moves or withdrawal from accommodation

There will be an opportunity for Students to apply for a room move from one room/hall to another. Any move is subject to availability of a suitable room being available. For more information, please visit [www.gold.ac.uk/students/accommodation/dont-want-room](http://www.gold.ac.uk/students/accommodation/dont-want-room)

Those who wish to cancel their place in halls without any penalty will be able to do so within seven (7) days of accepting our offer of Accommodation, and will receive a full refund of the pre-payment fee (unless in the meantime you have moved into the Accommodation.)

## Cancellations after the Licence Start Date

After the licence start date, the only students who will be able to cancel their place in halls will be the following:

- Those whose visa has not been granted;
- Those who have deferred their studies at Goldsmiths;
- Those who have decided to study at another institution.

Students in the above three categories will need to provide evidence they are no longer planning to study at Goldsmiths and they will only be liable for the accommodation for the period between the licence start date and the date we are formally notified of their visa refusal/deferral/transfer to another institution.

## Withdrawal from the accommodation contract

After the licence start date, regardless of whether a student has moved in/picked up keys or not, they will be liable for the full period and responsible for finding a suitable replacement. For more information, please visit [www.gold.ac.uk/students/accommodation/dont-want-room/withdrawing](http://www.gold.ac.uk/students/accommodation/dont-want-room/withdrawing)

## Disciplinary measures

The Halls of Residence are not simply accommodation. They are specifically student accommodation to facilitate studying at Goldsmiths. That means that Accommodation Services has a responsibility to ensure that the halls provide a fit environment for studying. It also has a responsibility to treat each Resident equally.

There are a number of levels of disciplinary action that can be taken by Accommodation Services. Formal written warnings are the most common. If you receive a Final Written Warning, in most cases we will not offer you halls accommodation in the future.

Also many returning Students find it useful to apply for halls accommodation in their final year so that they do not need to worry about residence-related matters and can concentrate

on their academic work; if you have received a Final Written Warning this option will not be open to you. If you receive a number of formal written warnings, or are responsible for some particularly serious act of anti-social behaviour, your agreement may be terminated and you could be asked to leave university accommodation.

### **Key points:**

- During Quiet Hours you are required to keep noise to a minimum; this means you should not use TVs, stereos, radios etc... and you should make sure your voice does not disturb people, particularly in the corridors.
- You are responsible for both your room and, to the extent that the law permits, the communal areas.
- The sooner you report a problem the sooner it can be dealt with.
- If you have a problem, it is your responsibility to use the services of the security officers. If matters get as far as a formal complaint to Accommodation Services, in most cases we will expect you to have already made use of Security and staff available on site.
- If you receive a Final Written Warning it will have serious ramifications for your prospects of finding private accommodation when you leave halls. Use the Campus Support Team and Security if you are suffering from anti-social behaviour. Their involvement is invaluable if a situation progresses to the formal complaint stage.

### **Art work**

Students may not paint or carry out other art work in halls. Accommodation Services is at liberty to remove any item that contravenes this rule.

### **Furniture**

For health and safety reasons, additional furniture and bulky items or artwork may not be brought into halls. Such items may be removed from the hall and reclaimed at the end of the Accommodation Agreement. This includes additional white goods such as fridges or microwaves.

### **Inventories and damages**

During the period of residence, regular inspections of halls will be made and any damages found at these times will result in an invoice being raised for which immediate payment will be required. Any losses or damages found at the end of the period of residence will be chargeable. Charges are determined by the cost to Estates and Facilities of returning accommodation to standards set by the Department, using the contractors preferred by the Department or College.

The completion of the inventory given at the beginning of the period of residence is very important. The condition of the room on leaving will be checked against this inventory and the cost of repairing any losses or damage to the room not included on the inventory will be charged to your account. If the inventory is not returned, the room will be considered to be in good condition and any losses or damage at the end of the period of residence will be charged accordingly.

## **Your security**

It is the responsibility of every Resident to ensure that all doors are kept locked at all times, including at night whilst you are asleep. Never let strangers into the building and never give your keys, entry cards or entry codes to any other person. Always ensure that you close the window and lock the door when you are not in the room. If you live on the ground floor, curtains should be closed if you are away or leaving your room for any period. In the event of any security problems, Students should immediately contact the Loring Management Centre, security officer, Campus Support Team, or in an emergency, the police on telephone number 999. Students who contravene the accommodation regulations on security by admitting strangers into the building will face disciplinary action.

## **Visitors and overnight guests**

Students may have one overnight guest (over the age of eighteen (18)) for a maximum of three (3) nights in any seven (7) days, on the understanding that they do not cause annoyance or inconvenience to other members of the flat/corridor or hall. You are responsible for your guest and must accompany them at all times. Your guest must sleep within your room, not in any other areas of the flat/hall. Students will be held liable for any damage caused by or misconduct of their guest. Guests who cause annoyance or inconvenience, or who fail to comply with reasonable requests from staff, will be asked to leave and may be banned from the accommodation.

Students who are planning on inviting a guest are required to inform the team on site and sign in their guest at reception. All guests will need to provide ID and sign in/sign out at reception.

We understand that sometimes you may have friends or family come over to stay who live a considerable distance from the halls and a three-day trip is not always feasible. If this is the case, please consult Accommodation Services prior to the arrival of your guest to seek the availability of any guest accommodation that may be on offer. We can also give you a separate list of places available around the area.

Only one guest per Student is allowed at any time.

## Absence

If you intend to be absent from the residence for more than one week, please notify the staff in the Loring Management Centre and advise other Residents in your flat/corridor. If a Resident on your floor has not been seen for some time, without explanation for their absence, please advise the Loring Management Centre.

## Summer accommodation and applications for the next academic year

Information on accommodation over the summer or for your next year will be available on [gold.ac.uk/students/accommodation/moving-on](http://gold.ac.uk/students/accommodation/moving-on) in the Summer term. No Student with a poor payment record or final written warning will be eligible for accommodation over the summer or the following year. For further details please contact [accommodation@gold.ac.uk](mailto:accommodation@gold.ac.uk).

## Post

If it is essential that you have mail sent to your accommodation before your arrival, please ensure that items are clearly marked “NEW RESIDENT” and that it is as near to your move-in date as possible. We cannot guarantee that post will not be returned to sender.

Due to the volume of post received, staff cannot redirect mail. Please ensure that on departure, you make your own arrangements for the re-direction of mail.

Most post will be delivered directly to your flat by Royal Mail. Packages that are bigger than the letter box are generally left with the reception team at Loring Management Centre and Students are notified to collect this.

Large packages may be refused if there is not enough space to store them. You should speak to your course leader if you wish to order large items for your course, so that they can be sent to your department instead of the Loring Management Centre.

## Change of contact details

Students are requested to ensure that they have valid and up to date contact information registered with Goldsmiths. You can do this by logging in to your ‘[My Goldsmiths](#)’ account and updating your contact information.

## What to bring

- duvet/blankets
- pillows
- sheets/duvet covers
- pillowcases

- towels
- crockery
- cutlery
- saucepans that are compatible with induction hobs
- general cooking utensils
- tin openers

We strongly encourage students to wait until they arrive in halls to purchase those essential items, as it is often the case that students arrive with the same items and storage is limited in the communal kitchens.

We provide the following items in the communal kitchens:

- cookers
- refrigerators
- freezers
- kettles
- microwave ovens
- irons and ironing boards

All the rooms are equipped with:

- a bed
- a desk
- a wardrobe
- drawers
- a study chair

We don't provide small electrical items such as bedside lamps. Some rooms do, however, have built-in lights above desk. Cleaning materials, washing powder and toilet paper (in en suite accommodation) are not provided.

## **Conferences and summer schools**

Many of our halls are used extensively outside of term-time and occasionally during term-time for conference business. During the summer vacations, halls are let for conference groups, language schools and holiday lets.

During term-time, some public areas are used for teaching, training days and other functions and, therefore, are not available for use by Students at those times. Income generated from conference activity is reinvested within Goldsmiths to both support and enhance the student experience.

## Refurbishment

Refurbishment work may be carried out during term-time. We aim to keep any disruption to a minimum and to inform you of any planned refurbishment or responsive work that may affect you.
