# Welcome

On behalf of Goldsmiths and the Accommodation Services team, a warm welcome to your new home!

We're delighted to have you with us and our team, colleagues at Goldsmiths and our accommodation-provider partners have been working hard to get everything ready for your arrival.

We are passionate about supporting our residents and helping them make the most of their student experience. Everything we do is student-focussed and we understand how important it is for our students to feel at home and part of their new community.

We appreciate that for those leaving home for the first time some things may be new or difficult, and we want you to feel welcome and comfortable in your new home, and support you through the next months while you look after yourself, make new friends, embrace your new life and make the most of your studies. For those returning to halls, we are really pleased to welcome you back and we would like to thank you for choosing our halls again. Whether you are a new or returning student, an undergraduate or postgraduate student, we are dedicated to helping you during your journey.

To ensure you are supported during your journey we have 24-hour security on campus, overnight Campus Support Officers (CSOs) and a student-led Residence Life programme. Do take a minute to save the Campus Support number in your phone and follow the Residence Life team on Instagram to ensure you do not miss out on their events and campaigns.

The team at your hall will help with anything you need on a day-to-day basis, but, if you have any questions, you are welcome to speak to a member of our Accommodation team by phoning or emailing us. We can also offer dedicated appointments on Teams.

Our CSOs are available on campus out of hours in the evenings and on the weekends. In the meantime, you'll find lots of information about your halls online at: [gold.ac.uk/students/accommodation](https://gold.ac.uk/students/accommodation).

For an extra piece of mind, it's helpful for you to know that your accommodation is covered by the [ANUK/ National Code](#). This means you can be assured your accommodation is safe and well managed, and that, should any problems arise, there are mechanism to help get them resolved.

You can find out more about the Code by visiting: [nationalcode.org](https://nationalcode.org)

We look forward to meeting you and hope you have an enjoyable time at Goldsmiths!

With best wishes,

**Flora Cipullo**

## The basics

### Completing your room inventory

Residents will receive an email inventory following check in, anything not noted needs to be reported to reception. Doing so will help us to identify any faults and means you will not be held liable for damage that occurred before you moved in.

If there is a maintenance fault you should report this online. Details on how to do this are contained on [page 12](#) of this guide.

### Wi-Fi

To get online with Glide you just need to search for uS-Glide on your device and register to get full access to Wi-Fi. Once you've logged in for the first time, you may be asked to log in again if you're ever disconnected from the internet for a longer period of time. This helps keep your account secure and ensures that no one else is benefiting from the services that you have paid for without your knowledge. You can choose to upgrade your Glide account at any time.

Need help? Contact Glide:

[Call 0333 1230198](tel:03331230198)

[Email studentsupport@glide.co.uk](mailto:studentsupport@glide.co.uk)

[Tweet @GlideStudentHelp](https://twitter.com/GlideStudentHelp)

Glide's service desk is available 24 hours a day, 7 days a week.

On campus you can get free access to Wi-Fi via the Eduroam network. Simply log in using your Goldsmiths username in this format:

[USERNAME@campus.goldsmiths.ac.uk](#)

Then enter your Goldsmiths password.

If you need assistance you can contact the IT Service Desk.

### Opening hours:

## The basics

### Post

If you'd like something sent to you in the post, all you need to do is ensure your postal address is written in the following format:

Your name  
Your room number  
Ewen Henderson Court  
40 Goodwood Road  
London  
SE14 6BL

All 'signed for' post and packages will be delivered to, and collected from the reception desk at your halls. You will be notified that you have received a package and that it is ready for collection. Unfortunately we are unable to accept food or grocery items delivered by couriers on your behalf.

### Laundry

Unite Students has a paid-for laundry for students, managed by Circuit. To use its service, simply download the Circuit Laundry Go App and follow the instructions. If you experience issues with the laundry machines, please ensure you report the issue directly to Circuit via [circuit.co.uk](https://circuit.co.uk) or the app, then let the team at your hall know.

### Insurance

Your halls are covered by basic contents insurance through Howden UK Brokers Limited. We recommend you download the Howden for Students app or visit their [website](#).

Outside of your accommodation, your contents are not covered. Please ensure you review what is included in your cover: [Goldsmiths University, Howden UK Brokers Insurance Policy \(PDF\)](#).

You may find it worthwhile to 'top-up' your cover to ensure it's the best fit for you, especially if you take your belongings to and from uni. Please contact the site team before making a claim, as they'll be able to help you through the process.

### Communal Areas

So you can get to know your fellow flatmates, your halls have a communal space, plus additional outside space so you can spend time socialising with your new friends.

# Safe and secure

## Fire safety

Fire safety is a priority in all university halls. While all Goldsmiths halls have fire alarms and equipment and procedures to deal with emergencies it is vital that student residents follow our guidelines to ensure the safety of everyone there.

### Fire safety rules:

- Ensure you are familiar with fire safety instructions detailed on notices in your halls
- Keep fire doors closed at all times as they can help to contain a fire and prevent the spread of smoke
- Always evacuate your halls when the fire alarm sounds. The only exception is during the weekly system test in which the alarm will sound for no more than 2 minutes
- Never interfere with fire safety equipment such as smoke detectors and fire extinguishers – it is a criminal offence to do so
- Do not block corridors and stairwells with rubbish or personal possessions
- Smoking, including e-cigarettes and shisha pipes, is strictly prohibited in your halls, as are chip pans, deep fat fryers, air fryers, candles and incense sticks.
- Due to the increased risk of fire caused by lithium batteries, the following items must not be charged or kept in student accommodation: e-bikes, e-scooters or vape batteries. All halls are designated non-smoking buildings by English law

If you fail to comply with these fire safety rules set in your Accommodation Agreement, you may be issued a written warning by the relevant manager after an accommodation investigation has been carried out.

You can view all of the student accommodation regulations online at [gold.ac.uk/accommodation/offer](https://gold.ac.uk/accommodation/offer).

Fire alarm tests will be carried out regularly – posters in your building will tell you when they're due to take place. During testing the fire alarm will sound for no more than 2 minutes. If the alarm sounds for more than 2 minutes at any time you must evacuate the building. Please ensure to check with the reception team where the designated evacuation points are located for each property.

**In the event of an emergency dial 999 – the UK emergency number for police, ambulance and fire services**

# Safe and secure

## Halls security

We want you to feel safe in our halls. Security officers are on duty overnight and during weekends, bank holidays and college closures. The hall team and overnight security guard can answer most urgent enquiries and provide you with an immediate and effective response.

You can report anti-social behaviour by phone using the emergency contact number on page 2. Reporting issues will help the on-site team to log and deal with them, and identify any recurring situations.

### **To ensure your own and your fellow students' safety we advise the following:**

- Do not allow strangers into the building
- Check your emails regularly for updates to the guest policy. If guests are allowed, they may only be admitted by the resident they are visiting and need to be signed in at reception
- Never lend your keys or access cards to another person
- If you lose or misplace your room keys notify your halls office immediately by calling your hall (contact details on [page 2](#))
- Do not prop doors open
- If something is broken or damaged please report it (see [page 12](#) for more details.)
- If you see someone in the building who you think should not be there, or if someone is trying to force entry to a halls building, contact the helpdesk or emergency services immediately (note that staff and contractors wear ID at all times)

**In the event of an emergency please dial 999 – the UK emergency number for police, ambulance and fire services.**

# Living in halls

University halls might be your first experience of living away from home. Your wellbeing and quality of life in halls are very important parts of the overall Goldsmiths experience.

## Here are a few tips:

- Please look out for updates around our guest policy and the use of common rooms and other facilities, as these may be restricted in the interest of Health and Safety, in response to an incident or due to a planned event.
- Think about whether or not your noise levels might be affecting your flatmates. Not sure? Just ask – they'll appreciate you showing consideration. Be mindful of your hall's quiet hours
- Make an effort to leave communal spaces, especially kitchens, clean and tidy
- Don't smoke anywhere within the halls buildings or close to windows
- Consider how you interact with your flatmates. You might not realise it, but others might find certain behaviours disrespectful, threatening or aggressive, even if unintended
- If someone has done something to bother or upset you, it's often the case that they might not even realise it. That's why it's best to have a friendly discussion with them about the issue first and try to have that conversation face to face, if you can as messaging can easily lead to misunderstandings. If the problem remains unresolved, you can always speak to a member of the Campus Support or Accommodation Services team ([page 2](#)).
- Keep your room key and ID on you and lock your bedroom door
- Report issues to the team on site as soon as you notice them
- If you have an en suite, get some fresh air in your room, especially after using the shower
- If you are sharing with others, keep the kitchen clean by clearing up after yourself

# Cleaning and Recycling

Cleaning of your room, bathroom and kitchen and taking out the rubbish/recycling is your own responsibility. Each shared kitchen will have access to basic equipment to do this, however you will need to buy all relevant cleaning products.

The housekeeping team will carry out regular kitchen inspections to ensure the flat shared areas are kept clean, tidy and clutter-free.

You are responsible for doing your own washing up and keeping kitchens tidy. Floors and communal areas need to be clear of personal possessions and you and your flatmates should ensure they are regularly vacuumed or mopped.

## **Rubbish and recycling bins**

Rubbish and recycling are provided in the kitchens of your flat and there are communal waste bins outside for you to deposit bagged rubbish when your kitchen bins are full. If rubbish has to be removed from the kitchen area of your flat by the housekeeping team, you and your flatmates may be charged for this.

## **Greening Goldsmiths**

Please remember that protecting the environment is a responsibility we all share. By making mindful choices—such as reducing water and energy consumption, recycling effectively, and minimizing waste—you contribute to a greener campus.

Find out more:

[gold.ac.uk/about/gnd](https://gold.ac.uk/about/gnd)

## **Maintenance**

### **Reporting a maintenance issue or fault**

If something is broken or damaged please report it by completing a maintenance report on the Unite Students maintenance system. If the issue is urgent please either report it to reception or call the designated phone numbers for each hall.

If you notice a fault in a communal area of your halls please do not assume it will have been reported by someone else - please report it. It's better to receive the same report multiple times than not at all.

### **Maintenance access**

If the team are attending to a fault you or someone in your flat or halls has reported it may not always be possible to arrange a time in advance with you to visit your room.

# Complaints

Accommodation Services is committed to providing an efficient, effective and courteous service to all our students and customers. We endeavour to provide this at all times but recognise that occasionally things may go wrong.

We have procedures in place to provide those who are not satisfied with the quality of our service with an easy and effective means of rectifying any problems you may have. Complaints of any nature should in the first instance be made to your halls reception staff.

The complaints procedure is not intended to deal with maintenance requests. If you wish to report a problem in your room, studio or flat, please ensure this is logged via the Unite Students maintenance system. This will ensure your problem can be dealt as quickly as possible. If we have already completed a repair and you are still dissatisfied with the way this has been dealt with, we would welcome your feedback as this will help us improve our service.

If you are concerned about the behaviour of another resident and you would like the issue to be looked into immediately (such as excessive noise or smoking) please contact a member of staff in the first instance, by phone or in person at the reception desk.

The sooner you report anti-social behaviour; the sooner it can be dealt with. If it is an ongoing issue and you would like Accommodation Services to provide further support you can also email us at [accommodation@gold.ac.uk](mailto:accommodation@gold.ac.uk) and we will get back to you in three working days.

If after raising concerns with the hall staff you want to make a formal complaint you can find information about the process at:

## Registering with a local doctor

We recommend that you register with a local doctor in the New Cross area or close to your halls.

Aim to do this as soon as you can to avoid any delays in being able to receive medical treatment should you need it.

## Recommended doctors surgery

Goldsmiths has partnered with the Amersham Vale Medical Practice to provide medical services to students close to campus.

The surgery is based in the Waldron Health Centre, Amersham Vale, London, SE14 6LD, opposite New Cross railway station.

# Travelling around London

Goldsmiths is well-connected to the public transport network and is located close to both New Cross and New Cross Gate railway stations. The city is split into nine fare zones (1–9) – most of central London is in zone 1, and both Goldsmiths is in zone 2.

To help plan your way around London you can use the official TfL journey planner on [tfl.gov.uk](https://tfl.gov.uk) or the CityMapper app on your mobile or online at [citymapper.com](https://citymapper.com). Google Maps can help you plan from outside of London.

## Oyster cards

Using an Oyster card makes it really easy to travel around London. It's a smartcard that can hold pay-as-you-go/pre-pay credit and season tickets, as well as any student railcard you choose to purchase.

Make sure you register your Oyster card using the website printed on the reverse of your card. It will mean you can easily replace any lost cards and season tickets at a minimal cost.

[tfl.gov.uk/oyster](https://tfl.gov.uk/oyster)

## Contactless payment cards

If your bank account issues you with a contactless credit or debit card it can also be used to pay for travel in London if you register it with TfL. This is often the cheapest payment method if you don't want to purchase a season ticket.

[contactless.tfl.gov.uk](https://contactless.tfl.gov.uk)

Buses in London do not accept cash for travel – use either an Oyster or a contactless payment card.

## Travel discounts

As a full-time student you can apply for discounted travel with a student Oyster card or a 16–25 railcard. See the options and choose what's best for you:
