### Overview of programme changes

Goldsmiths has needed to make changes to the way in which its programmes will be taught in 2021-22 in response to the ongoing global Covid-19 pandemic. From the Autumn term 2021 teaching will be delivered through in-person sessions, with principally teacher-focussed sessions being pre-recorded and made available to you online.

In some instances changes have also been made to assessment formats where necessary.

This addenda summarises approved changes that will be in place for 2021-22. Further programme information is provided in the published programme specification.
