Overview of programme changes

Goldsmiths has needed to make changes to the way in which its programmes will be taught in 2020-21 in response to the ongoing global Covid-19 pandemic. This means that all programmes will be taught through a mix of online and in-person teaching sessions in 2020-21.

In some instances changes have also been made to assessment formats where necessary.

This addenda summarises approved changes that will be in place for 2020-21. Further programme information is provided in the published programme specification.
