INTRO- DUCTION

Goldsmiths' social work team is recognised for its provision of excellent continuous professional development (CPD) for social workers. We are part of the DfE funded Consortium led by Research in Practice (RiP) to develop and deliver a national Practice Supervisor Development Programme.

The outstanding quality of our social work programmes was recognised in 2015 when Goldsmiths in collaboration with Royal Borough of Greenwich, the London Borough of Southwark and the London Borough of Lewisham became a Social Work Teaching Partnership (SWTP) early adopter site, one of only four in the country.

Since then we have developed this new programme for qualified social workers who want to develop their professional leadership in line with the revised PCF:

'We act and show leadership, individually and collectively, through promoting social work's purpose, practices and impact. We achieve this through activities such as: advancing practice; supervising; educating others; research; evaluation; using innovation and creativity; writing; presenting; using social media; being active in professional networks and bodies; influencing; challenging; contributing to policy; taking formal leadership/ management roles. We promote organisational contexts conducive to good practice and learning. We work in partnership with people who use services and stakeholders in developing our leadership and aims for the profession.'

(BASW, 2018)

The MA-level social work CPD modules and MA in Professional Leadership for Social Work builds on the successful long standing practice education programme and expand this to support flexible and modular professional development across three pathways:

- DIRECT PRACTICE

- PRACTICE EDUCATION

- MANAGEMENT

WHY STUDY WITH US?

- We recognise that much learning takes place in the workplace. All modules therefore fully integrate practice with relevant theory/research and values.
- We believe in strength in diversity and our teaching, lecturers, participants and experts by experience reflect this.
- Participants can gain academic credit for developing their capability through work-based activities in either direct social work practice, practice education or management roles.
- Access to University facilities, library and resources on and off campus.

All modules on the post-qualifying MA programme align with career development, from initial consolidation and early professional development, to supporting social work students on placement (Practice Educator), to becoming a Practice Supervisor or Practice Development Educator. In essence, the modules support the enhancement of practice relevant to participants' roles with a focus on professional leadership as defined by the PCF are aligned with the different KSS for both Child and Family and Adult Social Work. NEXT STEPS

Talk to your line manager and the person responsible for training in your organisation to discuss your professional development needs and those of your practice area and agree a plan. Complete the application form, which needs to be signed off by you, your line manager and the person who is responsible for funding for training.

Ask your workforce development staff for a SELTP application form if you are working for Greenwich, Lewisham or Southwark. Otherwise download this [Application Form](#).

Once you have done this you can apply to Goldsmiths.

**THE APPLICATION DEADLINE FOR MODULES STARTING IN SEPTEMBER, OCTOBER, NOVEMBER OR DECEMBER IS 9TH SEPTEMBER 2018.
IF YOU ARE APPLYING FOR MODULES STARTING IN 2019, THE DEADLINE IS 7TH DECEMBER 2018.**

If you are in full time employment, we recommend that you sign up to no more than 30 credits per year on the Continuing Professional Development programme (PG Credits - 270002A). If you complete the modules successfully you will get a Transcript of Record.

If you want to obtain the Postgraduate Certificate or the Postgraduate Diploma in Professional Leadership for Social Work and you do not want to take any further modules thereafter, you will need to apply to the MA. You may be able to transfer MA-level credits from other programmes (Recognition of Prior Certificated Learning) or gain credit for experiential learning via the submission of a portfolio (Recognition of Prior Experiential Learning). This is limited to 30 credits towards the PG Certificate, 60 credits towards the PG Diploma and 120 credits towards the Masters award. Talk to the programme convener to discuss your options early on. If you have already obtained 120 credits at MA level and you wish to gain the MA award you will also need to apply to the MA in Professional Leadership for Social Work to complete the last two research modules.

HOW TO APPLY

1

If you do not have a [MyGoldsmiths](#) account from previous years, go to [Log in Portal](#) to create an account.

2

Once you have created your new [MyGoldsmiths](#) account or have an existing one. Please now go to [CPD Social Work](#) and click on the yellow 'Apply now' button.

3

After clicking on the 'Apply Now' page it will then take you to a link that says 'Year 1 Starting in September 2018 or January 2019' click on that link to take you to the next step (this works best with a Firefox or Chrome browser).

4

It will then re-direct to another page that says 'Part-Time CPD (Continuing Professional Development) starting in September or January' once you've click on that it will take you to the login page (see step 1).

5

Once you've logged in, please fill in all the sections under Personal Details, Residential Address, Equality/Diversity & Qualifications and Additional Details links

6

Under the section References and when asked to provide a referee, please insert a dummy: Anna Sample; a.sample@dummy.com, by doing this we do not create more work for your managers.

7

Under the section Personal Statement write "see application form". Under the section Documents please click "upload" and upload the scanned and completed application form with all the original signatures, including yours.

If you have any general queries or concerns please contact the programme convenor Adi Staempfli, a.staempfli@gold.ac.uk or for further information please visit our web pages by click on the links below.
