

**Character reference in support of an application to study where there is a statutory  
Requirement to demonstrate fitness to train**

The person who has passed this form to you has applied to Goldsmiths, University of London to study a course that involves contact with young and/or vulnerable people. As a part of the evaluation of their fitness to train we have requested that they obtain two character references in support of this assessment from persons who are not related to them and who are able to confidently comment on their character.

These references should be from professional people, such as a Doctor, Solicitor or employer. The reference should make explicit mention of the character of the applicant and any criminal offences, warnings or pending criminal cases they have been involved in. It should detail how long the referee has known the applicant and in what capacity.

This character reference form will only be accepted if endorsed by an official stamp or of it is provided on appropriate headed paper, signed and endorsed by an official stamp.
