Goldsmiths, University of London and Laser Learning Awards Access to HE Courses Progression Agreement

Progression agreement, 2026-27 onwards

About this Agreement

Goldsmiths is committed to promoting diversity in higher education and recognises its civic responsibility to provide accessible pathways to university. As part of upholding this commitment, we have created this progression agreement which grants Laser Learning Awards Access to HE students' specific benefits when applying to study an undergraduate course at Goldsmiths. Under the terms of this agreement, the Access and Participation Team will provide support and guidance to Laser Learning Awards Access to HE students as they consider, apply for and transition into university life.

Guaranteed Enhanced Offer

For all non-interviewing undergraduate courses, Laser Learning Awards Access to HE students will receive a guaranteed enhanced offer that is below the standard entry tariff for Goldsmiths. To access this offer, students must meet have provided a satisfactory personal statement and met any GCSE/Level 2 requirements.

Qualification	**Standard offer**	**Enhanced offer as per this progression agreement**
Access Diploma	24 Distinctions, remaining credits at Merit or Pass	12 Distinctions, remaining credits at Merit or Pass

Guaranteed Interviews

For undergraduate courses requiring an interview, Laser Learning Awards Access to HE Courses students will receive a guaranteed interview, subject to meeting any portfolio or qualification requirements.

Please note this agreement excludes four year courses with a foundation year and BA Social Work.

Further information

Questions about this progression agreement and requests for support from the Access and Participation Team can be directed to the Team at accessandparticipation@gold.ac.uk.

Details of our courses, including which courses require an interview, can be found here: https://www.gold.ac.uk/course-finder/.
